DIRECTIONS: Students who are taking English IV, whether it is Term 1 or Term 2, will read Tolkien's novel *The Hobbit* and complete a short, written reflection that responds to the following prompt:

In the action of *The Hobbit*, Bilbo changes from being a soft and timid hobbit to being a character of wisdom and courage. Several key events and incidents go towards changing and developing him. Identify at least three of these "turning points" and explore each one. For each "turning point," explain what the turning point was and how it changed Bilbo in some way, or how it marked a milestone in Bilbo's development.

Students should prepare a brief 1-2 page typed essay response using examples and quotes from the book where appropriate to develop their response. Be sure to format your paper according to [MLA guidelinesLinks to an external site.](#) and edit your work using Grammarly before submitting the polished draft to Canvas.
