## ADVANCED PLACEMENT ACADEMY

The AP Academy provides students the opportunity to receive the maximum amount of college credits they can while in high school by taking Advanced Placement and dual enrollment courses during their 4 years. SJVHS currently offers fourteen College Board approved AP courses. Students choose a Liberal Arts or Science/Math track. AP Academy students create a digital portfolio of their work to provide to colleges, which will include a Capstone research presentation.

## EARLY COLLEGE ACADEMY

The Early College Academy is a program in which academically sound students begin in the 9th grade and will have the ability to earn an Associate of Arts Degree in Social Sciences or an Associates of Science degree in Computer Science from Brookdale Community College by the time they graduate from high school.
